

XLife Play Away provides unmatched privileges!

Enjoy hundreds and hundreds of golf and country clubs without paying green fees! Enjoy extraordinary dining and business services at city clubs located in over 40 cities.

I can play golf at other private clubs without paying a green fee?

YES! Each membership with XLife Play Away may enjoy two (2) complimentary green fee rounds at each participating country club, every calendar month. Belonging to a club in the Yellow Collection of clubs, you may visit other clubs in your collection, as well as in the Orange and Green Collection, without paying a green fee! A \$25 play rate, in addition to the cart fee, will be applicable when visiting clubs in the Blue Collection.

Can you provide additional details on how the golf fees work?

Members using their Play Away benefit at a participating Yellow, Orange, or Green Collection of clubs do not pay greens fees. Members with XLife Play Away benefits will pay the Network Cart Fee which supports the club you are visiting. Network Cart Fees average \$25 per player but are

determined by each club based on their demand and location. When visiting a Blue Collection club, like Pinehurst #9 (public guest rate is up to \$289), a Network Cart Fee plus a \$25 Play Rate would apply. The ClubLine Concierge will provide details and expected rates prior to confirming your reservation. To see a list of clubs click [here](#).

What is a Blue Collection club?

Clubs in the Blue Collection typically have more expensive average monthly dues and Initiation Fees or may be in a high destination market, such as Mission Hills Country Club in Palm Springs, California. An overwhelming majority of our participating clubs, however, are in the Yellow, Orange, or Green Collection. With Play Away you receive access to our wonderful, participating clubs while only paying a Network Cart Fee at most.

What about dining benefits?

Play Away also provides access to City and Stadium Clubs to enjoy breakfast, lunch, dinner, or use of business spaces and meeting rooms. Participating City and Stadium clubs provide Members with Play Away a 25% discount on food when enjoying their dinner service (available after 3pm local time).

This is great, but how many clubs participate?

Our community is constantly growing. At the start of 2021, over 300 private golf and country clubs provide golf benefits and over 40 City and Stadium clubs participate. We will be announcing two additional Stadium Clubs to open in 2021, soon!

Are there any restrictions on tee times?

A vast majority of participating clubs are fully private golf and country clubs who have a responsibility to take care of and adhere to their own member's needs. While tee times at each club are set aside almost every day for Play Away Members, tee times are subject to the club's availability and may not include access to golf on Saturdays or during Member events.

How much does it cost to enroll in Play Away?

There is a one-time enrollment fee of \$1,000 plus annual dues. The enrollment fee is waived for new members, if elected within 30 days of joining ClubLink.

How do I enroll into Play Away?

Members will complete a one-page enrollment form, per Membership, and turn it in to your Membership Consultant or to membershipsales@clublink.ca. The annual dues will be added to your Member account, and will typically be active within 2-3 business days.

This is great, but how long am I signing up for?

Play Away is an annual membership. There is very little risk. If you choose, you may contact your Membership Consultant to remove Play Away from your Membership. However, if a Member resigns from Play Away, and then wishes to reinstate the benefits, the \$1,000 enrollment fee will apply.

What are the primary reasons Member's enroll in Play Away?

Members enroll in Play Away due to the extraordinary access to the best network of private clubs available. Saving lots of money on green fees is nice, too! Members join Play Away because they will enjoy access to a private golf course with all the qualities of your home club golf course: well-conditioned, no public play and quicker rounds, not having to scour for quality public courses to play during your vacation, and typically playing these courses for less than what it would cost to play a public course anyway!
