## La Quinta Resort & Club

La Quinta Resort & Club is a legendary hideaway destination, renowned since 1926 for its charm and serenity. La Quinta features 90 holes of some of the country's best golf. Intimate accommodations capture Old World charm with a Spanish hacienda design and desert decor. The relaxing guest rooms and suites at the resort are highlighted by 41 sparkling outdoor swimming pools and 53 hot spas.

## La Quinta Resort Mountain Course

The Mountain Course is famous for its unique design and visually stunning setting. This golfer's paradise is literally carved into the Santa Rosa Mountains, demanding accurate, strategic play while providing the ultimate in breathtaking views.

## PGA WEST

### Jack Nicklaus Tournament Course

The Nicklaus Tournament Course is truly one of Nicklaus' best. This course is a remarkable test of golf where accuracy is rewarded and errant shots are severely penalized. Visible plateau landing areas, firm elevated greens and jagged bunkers will leave a lasting impression on golfers of every level.

### PGA WEST Stadium Golf Course

PGA WEST Stadium enjoys an international reputation as the "Western Home of Golf in America". This Pete Dye jewel is described as a "must" play for all who seek the ultimate thrill. Inspired by the famed Scottish seaside courses, its design is rugged and dramatic, providing the ultimate golf challenge.

### PGA WEST Norman Course

Greg Norman Course is set on spectacular desert terrain with limited turf; it gives players a unique and challenging golf experience. The risk-reward ratio is highly correlated, and those who spend strokes on safe shots may wind up feeling like shark chum. Yet, Norman insists the measure of a great course is playability for a variety of levels.
