TEETH OF THE DOG® GOLF COURSE

Pete Dye's signature golf course, Teeth of the Dog® has a reputation that's well deserved. Meticulously hand carved from the rugged rock and coral of the Dominican coastline, including seven holes right along the ocean, this golf course in paradise should be on every golfer's bucket list.

THE LINKS GOLF COURSE

This shotmaker 18 weaves through our beautiful, verdant resort grounds while offering spectacular vistas of the Caribbean Sea from several holes. The gracefully hilly layout, with tall Bahia grass framing Dye's sculpted bunkers, plays from just over 7,000 yards from the back tees to a slope of 126. Ideal for golfers of all abilities.

DYE FORE GOLF COURSE

Let's talk numbers: 27 holes; 7,740 yards long; 7 scenic cliff-side holes dropping 300 feet to the Chavón River below; and breathtaking 360 degrees views. Characterized by spectacular views of the Dominican mountains, the Chavón River, the Marina, and Altos de Chavón, this challenging cliff-side course is a delight for players of all levels.
