CANCELLATION POLICY:

In the event of inclement weather, we will make a decision at least one hour before the start of the clinic whether to cancel or reschedule. If the clinic is cancelled, we will notify all registered participants as soon as possible and provide a rescheduled date. If the rescheduled date is also cancelled due to weather, we will refund a percentage of the registration fee back to you. Please note that we cannot guarantee that clinics will run in all weather conditions, as safety is our top priority.

If a participant misses a clinic due to their own schedule, there will be no make-up days available unless they can attend another pre-scheduled clinic time and it is approved by the instructor. We encourage participants to attend all scheduled clinics to get the full benefit of the program.

PARTICIPANTS:

Registration for the "Spring into Golf" ladies clinic is open to the general public, and ClubLink membership is not required. This means that friends, family, and any other golf enthusiasts can also register for the program and take advantage of this opportunity to learn and improve their golf games.

GOLF CLUBS:

Kindly bring your own golf clubs to the "Spring into Golf" ladies clinic. In case you don't have your own, the club has rentals available, but please note that the number of rental sets is limited. This means that you may not always have access to the exact clubs being used in the clinic and may need to share with other students using the rentals.

MEETING LOCATION:

Please meet at the practice green near the clubhouse unless you receive other instructions from the instructor.

PHOTO/VIDEO PERMISSION:

I give permission to ClubLink to use photographs and/or videos of me taken during the golf clinic for promotional or informational purposes, including but not limited to, publications, advertisements, social media, and websites.
