

Current Covid-19 Policies

Revised 4.1.21

We are following CDC guidelines along with Hillsborough County's current mandates. In the Restaurant and Spa areas, we will continue with daily staff temperature checks and the wearing of personal protection equipment (mask & gloves). Wearing a face mask is still currently required inside the main clubhouse, fitness center, walking track, spa and restaurant by a Hillsborough County ordinance. Even if the county ordinance was cancelled, the Club would reserve the right for members & guests to wear face masks until further notice. I would like to thank the membership for doing an excellent job of following the Covid-19 policies and procedures.

The policies & procedures outlined herein are designed to help protect members, employees and their families. It is imperative that we all follow the CDC protocols to reduce the risk of spreading the coronavirus. Members voluntarily agree to use the facilities and golf course at their own risk and accept responsibility for their own protection, in addition to practicing social distancing at all times and following the current policies and procedures.

Clubhouse Face Mask Regulations

Face Mask are required to wear inside of Club Renaissance; Fitness, Spa, Walking Track and Restaurant areas. Masks are not required in outdoor spaces.

If you are entering the clubhouse to use the restaurant from any door (Bacchus & Amici's) we ask you to wear a mask until you are seated at your table.

If you are working out and cannot social distance (6 feet) from other members you must wear a mask. Please see more information below concerning exemptions from the mandatory mask ordinance.

The procedures outlined herein are designed to help protect members, employees and their families.

Members & Guests voluntarily agree to use Club Renaissance facilities at their own risk and accept responsibility for their own protection, practice social distancing at all times and follow the policies & procedures of Club Renaissance.

To further protect the public against the spread of the COVID-19 coronavirus, [Hillsborough County's Emergency Policy Group \(EPG\) enacted an order](#) requiring that face coverings be worn inside businesses that are open to the public, with certain exceptions.

The order applies to all persons, including customers and employees, inside Hillsborough County businesses that are open to the public when social distancing cannot be maintained. The order is effective immediately.

The following are exempt from the mandatory mask ordinance:

Persons under the age of two years

Persons observing social distancing in accordance with CDC guidelines

Persons for whom a face covering would cause impairment due to an existing health condition

Persons working in a business or profession who do not have interactions with other persons

Persons working in a business or profession who maintain social distancing from another person

Persons working in a business or profession where the use of a face covering would prevent them from performing the duties of the business or profession

Persons exercising, while maintaining social distancing

Persons eating or drinking

Public safety, fire and other life safety and health care personnel, as their personal protective equipment requirements, will be governed by their respective agencies

The requirement shall not apply when a person who is hearing-impaired needs to see the mouth of someone wearing a face covering in order to communicate

The requirement shall not be applied in a manner that would conflict with the Americans with Disabilities Act (ADA)

Face Coverings FAQs

When does this requirement take effect?

The order is now in effect.

What is the definition of a “business”?

Business means any commercial or for-profit entity (regardless of corporate structure or formation) that provides goods or services directly to the public.

Where and when does the EPG’s order require me to wear a face covering?

Any time you visit the indoor portion of a commercial or for-profit business that provides goods or services to the public and you are not maintaining social distancing (at least six feet) from others, excluding family members or others residing in your home.

What about young children?

The EPG’s order includes an exception for children under the age of 2.

I have a breathing condition that makes me unable to wear a mask or face covering. Do I still have to?

Persons for whom a face covering would cause impairment due to an existing health condition are exempt from the EPG’s order.

Does the EPG’s order require me to wear a face covering when I’m walking my dog or jogging?

No. The EPG’s order only applies when persons are inside a commercial or for-profit business that provides goods or services to the public and not maintaining social distancing (at least six feet) from others. However, for your own protection and the protection of others, you should follow the Centers for Disease Control and Prevention’s social distancing guidelines at all times.

If I am eating at a restaurant, does the EPG’s order require me to wear a face covering?

No. People do not have to wear a face covering while eating or drinking.
