

## ***Golf Cart Rules & Regulations***

### Entire Membership

1. **Restrictions:** Scepter Golf Club may restrict golf cart traffic to areas of the course where turf conditions warrant. These restrictions may be implemented due to weather events, maintenance or other reasons during general course operation. Restrictions may be limited to certain areas of the course or encompass the entire course. Restrictions will be decided on a daily basis by Scepter Golf Club.
2. All cart restrictions, rules, signs and ropes applied by Scepter Golf Club must be obeyed at all times.
3. Driving in saturated areas immediately following precipitation or irrigation is prohibited.
4. Remain on the cart paths at all times by tee complexes.
5. Drive in the rough as much as possible, when possible.
6. We *encourage* the use of the 90-degree rule at all times.
7. Parking in front of the green is prohibited.

*Repeated breach of the cart rules and regulations could lead to discussion of cart policies with management, written documentation, and up to suspension of playing privileges.*

### Non-Disability Membership

1. Driving over curbs is prohibited.
2. Please remain on the cart paths on all Par-3's.
3. Driving onto sloped areas surrounding the green *within* 30 feet of the green is prohibited.

### Members with Disabilities

1. Members with proof of disability may receive a handicap permit for special driving privileges while on the course.
2. Please ensure your handicap permit is displayed on the driver's side of your windshield.
3. Handicap permits must be renewed annually with the new Membership Year (November 1<sup>st</sup>).
4. If multiple individuals with disability are playing together, we prefer you ride together.
4. Disabled members are **not** entitled to additional access when the course is designated as "Cart Path Only".
5. Please remain 30 feet from the front of all greens.
6. You may park on the *sides or backs* of greens within **10 feet of the green**, provided you are not in between a bunker and the green.
7. Access parking next to the greens by driving on the rough or cart paths around the greens so that you can park on the most level area next to the greens.
8. **Do not** access greens parking by driving up the approaches or cutting in between greens and bunkers.

9. When entering/exiting parking around greens, please drive in a varied pattern to avoid wear on the turf, when possible.
10. Par-3's:
  - a. Please stay in the ***rough only*** on all Par-3's
  - b. You may access rough by driving past all curbing and doubling back, staying in the rough only.
  - c. You may **cross fairways** on the following Par-3's to access opposite side rough: Osprey #5, Falcon #3 and Falcon #8.

### Carts Per Group

1. All groups are entitled to two member-owned carts per group, including twosomes, threesomes and foursomes.
2. Groups may take an extra member-owned cart for the following circumstances:
  - a. Smoking and illnesses – your group is entitled to take three member-owned carts for health related reasons.
  - b. Handicaps – if your playing partner does not have a handicap sticker and you do, you are entitled to take your member-owned cart with the handicap sticker. If your playing partner who does not have a sticker is not a smoker or is not sick, then he or she must ride with you.
  - c. Any other circumstances need to be approved by the Scepter Golf Shop before play
3. Instances where you are **not entitled** to take three member-owned carts in your group:
  - a. Matters of personal convenience.
  - b. Weather conditions or the threat of weather conditions.
4. Groups entitled to three member-owned carts must inform the Golf Shop of their circumstance before play.
5. For ClubLink-owned golf carts, twosomes must take one ClubLink cart. Threesomes and foursomes are entitled to two ClubLink carts.
